

Pet Committee of Aquarius March 28, 2016

As you are aware, the pet committee has been reviewing the pet rules and regulations.

As a guide we have been referring to the rules that were adapted by the 2012 Board of Directors.

We have recently received an application from another unit owner and in reviewing the application, there appears to be a more comprehensive and different set of rules and regulations than those published on the blog. (for the Aquarius Rules on Pets please click here > <https://aquariusuno.com/2015/09/29/pets/>)

The new rules and regulations appear to be more suitable to our needs. Please forward this memo to the Board so they would be able to give us input as to how to proceed on which set of rules are best.

Thank you for your time.

Joan Salvatore, Pet Committee Chairperson March 28, 2016
