

e. This testing sampling is to begin November 1, 2016

**2. Landscaping Architect Consultants:**

a. Tom Laubenthal supplied a listing of suggested changes on the east deck for all unit members in attendance to choose for his bid package.

Toward that goal, all members came to agreement on a voting basis with the following issues:

New hurricane proof cover on north side of deck---replacement of the blue canvas.

BBQ location on north side near where shuffle board is now positioned.

Adjustable outside overhead cover at restaurant.

Cement Cover at outdoor eating area.

Planter sizing, planter quantities and addition of Palm Trees.

Eliminate synthetic surf, eliminate chess board flooring, eliminate shuffle board, eliminate putting green,

b. East Pool issues, access to the beach and the pool shower location/design were also discussed.

c. Recommended options were clarified and numerous questions from the audience were answered as best as possible.

Further information: Exhibit on the Lobby with pictures, plans and Thomas Laubenthal reports. This and additional material can be seen with detail in the following web sites:
